INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Riverbend Family Ministries, NFP

Opinion

We have audited the accompanying financial statements of Riverbend Family Ministries, NFP, ("Riverbend Family Ministries"), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Riverbend Family Ministries, NFP as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Riverbend Family Ministries, NFP and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Riverbend Family Ministries, NFP's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Riverbend Family Ministries, NFP 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Riverbend Family Ministries, NFP 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Nature of Activities</u> - The Riverbend Family Ministries, NFP ("Ministries") is a not-for-profit corporation organized under Internal Revenue Code 501(c)(3). The purpose of this agency is to provide immediate shelter and supportive services for homeless families in Madison County, Illinois.

<u>Basis of Presentation</u> - The accompanying financial statements of the Ministries have been prepared on the accrual basis of accounting. Financial statement presentation follows the guidance of FASB ASC 958-205, as amended by ASU 2016-14. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: assets with donor restrictions and net assets without donor restrictions.

The Organization follows accounting standards set by the Financial Accounting Standards Board (FASB). In June 2009, the FASB issued FASB ASC 105, Generally Accepted Accounting Principles, which established the FASB Accounting Standards Codification (FASB ASC), as the sole source of authoritative U.S. generally accepted accounting principles (GAAP). Restrictions met in the same period as the resources are received are recognized and classified as net assets without donor restrictions.

<u>Income Taxes</u> – The Ministries is operated exclusively for non-profit purposes and is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements.

The Ministries has adopted the provisions of FASB ASC 740-10-25 (formerly FASB Interpretation No. 48, *Accounting for Uncertainty in Income Taxes - an Interpretation of FASB No. 109*) requiring disclosure of uncertain tax positions. There has been no interest or penalties recognized in the Statement of Activities nor in the Statement of Financial Position related to uncertain tax positions. In addition, no tax positions exist for which it is reasonably possible that the total amounts of unrecognized tax benefits will significantly increase or decrease within the next 12 months. Tax years remaining open as of December 31, 2023 are the past three years ended December 31, 2020 through 2022. The Ministries evaluates any uncertain tax positions on a continual basis through review of its policies and procedures and discussions with outside experts.

<u>Estimates</u> – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Fair Value Accounting</u> - The fair value of financial instruments classified as current assets or liabilities (prepaid expenses, accounts receivable, accounts payable and accrued expenses) approximate carrying value due to the short-term nature of these accounts.

The Ministries determines the fair value of certain assets on a recurring basis through application of FASB ASC 820 (formerly SFAS No. 157, *Fair Value Measurements*) for financial assets and liabilities. FASB ASC 820 also is effective for nonfinancial instruments. There were no triggering events that required fair value measurements of the Ministries' nonfinancial assets and liabilities at December 31, 2023.

<u>Cash and Cash Equivalents</u> - For purposes of the statement of cash flows, the Ministries considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

<u>Accounts Receivable</u> - The Ministries records accounts receivable for amounts due related to claims for reimbursements of past expenses. The amounts recorded as accounts receivable are considered fully collectible.

<u>Property and Equipment</u> - Property and equipment is recorded at cost with the capitalization threshold set at \$2,500. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation is removed from the accounts and the gain or loss, if any, is included in the comparable statement of activities.

<u>Contributed Services</u> - The Ministries records the value of donated services when there is an objective basis to measure the value. No amount has been reflected in the statements for donated services, as no objective basis is available to measure the value of the service.

<u>Subsequent Events</u> - The Ministries has evaluated events occurring after the statement of financial position date through May 2, 2024 in order to determine their potential for recognition or disclosure in the financial statements. The latter date is the same date the financial statements were available to be issued.

<u>Contributions</u> - Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any donor restrictions.

<u>Cost Allocation</u> - The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The Ministries allocates expenses across programs on a basis that best represents the underlying use or cost to the related program.

NOTE 6: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Ministries' financial assets as of the balance sheet date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date. Donor-restricted amounts that are available for use within one year for general purposes include grants and contributions from both private and government sources.

Financial assets, at year end

\$ 310,040

Less those unavailable for general expenditures within one year, due to:

Contractual or donor-imposed restrictions:

Restricted by donor with time or purpose restrictions (15,000)

Financial assets available to meet cash needs for general expenditures within one year

\$ 295,040

The Ministries is substantially supported by general contributions and grants. In cases where a donor's restriction requires resources to be used in a particular manner or in a future period, the Ministries must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditures within one year. As part of the Ministries' liquidity measurement, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Ministries maintains its reserves in cash accounts that are liquid for use on demand.

NOTE 7: <u>NET ASSETS WITH DONOR RESTRICTIONS</u>

Donor restricted net assets of \$15,000 are available for the Ministries' programs for the year ended December 31, 2024. As of December 31, 2023, net assets with donor restrictions were comprised of balances from the following sources:

Advance Payments from:

Alton Women's Home \$\\\
\begin{array}{c} \\$ 15,000 \\
\end{array} \]

Purpose restrictions accomplished:

Private Grants/Contributions:

United Way - General \$83,497 Grants 48,250 Capital Campaign Funds 244,327 Total restrictions released \$376,074

Net assets were released from donor restrictions by incurring expense satisfying the restricted purposes or by occurrence of the passage of time or other events specified by donors.
